Shepherds & Parishioners.**

**Letter of Appreciation.**

**Issued by: The Office of the General Superintendent - USA Diocese**

**Date: May 27, 2015.**

I am writing to express my deepest appreciation and most profound gratitude to all members of USA Diocese National Convention - Resurgence 2015 Committee for their extraordinary determination and sacrifice in making the last convention a huge success.

The Chairman, the local crew and region 'C' executives and members showcased a melting pot of Sacrifice, diligence, honor, talent and ingenuity. There was a clear evidence of sound initiative, good delegation, roles definition, effective coordination, and control focused on determined vision. I am proud of you all. The good shepherd of old will remain your reward. You will ascend the pinnacle of glory and be blessed with the heritage of Jacob.

Deeds, not stories and talks, are indeed the true monument of the great. With all sincerity of the heart, I am saying thank you and God bless on behalf of the entire members of EXCO. The Lord of reciprocity will engrave your reward of excellence in the Book of Life with a pen of diamond.

May I also express on behalf of EXCO an unreserved thanks and appreciation to all the participants and presenters who have made immense sacrifice financially, physically, and spiritually in identifying with catalysts of change for progress and growth. Your investments in promoting the Kingdom of God will be decorated with peace and joy of salvation.

I congratulate all USA CCC members and pray for God's grace and empowerment in providing a burning zeal for the quick execution of all the resolutions taken.

Once again, thanks and God bless you all.
