Dear Red Cross Supporter,

With the support of so many, the American Red Cross has provided relief for those in need in the aftermath of the Japan earthquake and tsunami. Thank you for your donation that is making a difference during this challenging time.

Your gift of \$1800.00 on September 12, 2011 helps the American Red Cross in its ongoing response efforts in Japan. These generous donations are helping the sick and elderly find the resources to surmount the incredible difficulties brought on by these storms. To aid this long recovery process, the American Red Cross is purchasing household appliances and rebuilding a medical facility to improve living conditions for vulnerable individuals and families.

For the hundreds of thousands of people affected, the sudden onslaught of disaster will not be soon forgotten or quickly overcome. But every day the American Red Cross and our partners are on the ground, working together toward recovery.

Thank you for your support. To learn more about your gift at work, please visit redcross.org or call 1-800-REDCROSS (1-800-733-2767). On those rare occasions when donations exceed American Red Cross expenses for a specific disaster, contributions are used to prepare for and serve victims of other disasters. Once again, thank you for your generosity.

Sincerely,

Lauri Rhinehart
Vice President of Development Operations
