**Memorandum 6**

**USA Diocese National Convention 2011, themed "A Purpose-Driven Future"**

At the purpose driven national convention of the Diocese held at Houston, Texas on May 14, 2011, fourteen different directorates were approved by the collective wisdom of the Convention.

Five different memorandums have been dispatched to all regions since August 08, 2011 calling for submission of the following:

- ❖ Memo #1: Names and Resumes of members being proposed for various directorates.
- ❖ Memo#2: Your written confirmation that Women Councils have been inaugurated/ established within your regions.
- ❖ Memo #3: Written confirmation of established Youths Council/Ministry within your region.
- ❖ Memo #4: Just a reminder that no application shall be entertained or processed for Pastor's consideration from any individual intending to become a clergy or church worker unless the applicant conforms strictly with the Policy Paper on "Employment of Clergy".

We regret to observe that a number of Regions are yet to respond.

We would appreciate if responses from all regions are received on or before January 31, 2012.

May the good Shepherd bless us all and make the new year a Crown of peace, blessing and grace for us all.

Once again, thanks and God bless.
