Dear beloveth of the Lord,

In the course of my current missionary tour of some regions in the dioces, the following observations were made:

- ❖ The inner alter of the Lord is not enclosed. Please ensure that the inner alter of every parish is duly demarcated/enclosed as soon as possible to accord the temple the required holiness, reverence and fear.
- ❖ Only two chairs shall henceforth be in the inner alter. The one on the right is the Pastor's Chair which shall be clearly distinct and remarkable. The second one on the other side of the alter shall be moderate and smaller in size compared to that of the Pastor. Under no circumstance shall the two chairs in the inner alter be of the same size.
- ❖ The two chairs in the inner alter are exclusively reserved for the Pastor and Most Superior Evangelist Oshin. Unless they are present, the two seats should have the Holy Bible or Cross placed on them.
- ❖ Female members should desist from wearing transparent or pleated Sutana. It is against the ordinance of the church.
- ❖ Elders should henceforth stop moving up and down the alter, shaking hands, discussing or eating fruits in the alter. God must be served in the beauty of holiness, in fear and trembling. Psalm 96.
- ❖ Spraying of money shall strictly be into the tray carried by the thanks-offerer rather than being pasted, and posted all over the bodies.
- ❖ Mufti dresses cannot be worn into the church choir Stand during the holy Sabbath day Service or during the harvest thanksgiving-service. Please take note as the choir platform is an extension of the alter of God.
